SUMMARY

I design and develop user-focused web applications that are both visually compelling and highly functional. With a strong foundation in full-stack development and UI/UX design, I create modern digital experiences that are intuitive, scalable, and impactful.

WORK EXPERIENCE

Full Stack Web Developer Intern, Clark Outsourcing **Jun 2025 - Sept 2025**

- Developed and enhanced a company portal using Laravel Lumen and Angular, improving internal workflow efficiency and user accessibility
- Designed and implemented an asset inventory monitoring system, enabling the Operations Manager to efficiently track and manage employee-assigned assets
- Participated in Scrum meetings, collaborating with the development team on progress updates, task planning, and issue resolution

Freelance Artist **2021 - Present**

- Created custom digital or visual artworks based on client requirements and preferences.
- Communicated directly with clients to gather specifications and provide updates.
- Applied creativity and attention to detail to deliver high-quality outputs

Front of House Staff, Ylang Ylang Eatery **Feb 2026 - Present**

- Delivered customer service in a fast-paced environment while balancing academic responsibilities as a full-time student.
- Collaborated with team members to maintain efficient daily operations
- Managed time effectively to meet both work and academic deadlines

EDUCATION

Bachelor of Science in Information Technology with Area of Specialization in Web Development **2022 - Present**
Holy Angel University

- HAFRD Scholarship Recipient, Second Semester of A.Y (2025-2026)
- President’s Lister (1st Sem, A.Y. 2022–2023; 1st Sem, A.Y. 2025–2026)
- Dean’s Lister (2nd Sem, A.Y. 2022–2023; 2nd Sem, A.Y. 2023–2024; 1st & 2nd Sem, A.Y. 2024–2025)

Senior High School **2020 - 2022**
Angeles City Science High School (STEM)

- Graduated with Honors

Junior High School **2016 - 2020**
Claro M. Recto Information Communication and Technology High School

- with Honors
